

Evaporative Coolers

- ✓ The cheapest form of cooling to buy and operate the evaporative
- ✓ Evaporative cooling is perfect for our dry Perth climate
- ✓ We install Bonaire and Cool Breeze coolers
- ✓ Bonaire systems are available in 3 sizes and 3 colours
Cool Breeze systems comes in 5 sizes and 5 colours
- ✓ All our new installs use a plastic dropper and flashing, so no rusting and no leaks
- ✓ These droppers are colour matched to the cooler
- ✓ Bonaire systems are covered by a 5 year warranty while the Cool Breeze is covered by a 10 year warranty

Ducted Gas Heater

- ✓ Perfect home heating when you have an evaporative cooler
- ✓ We recommend and install Bonaire or Kaden systems
- ✓ Both have 3, 4 or 5 star rated units in a number of power sizes
- ✓ Zone your home to reduce the operating costs
- ✓ Set the timer and wake to a warm home
- ✓ Put an outlet in the bathroom and never suffer the cold morning of winter

Split Systems

- ✓ Cool or heat a single room, from a bedroom to a large living area with a wall, cassette split or even a floor split when no wall is available.
- ✓ We recommend Mitsubishi Heavy Industry, Panasonic or Midea systems.
- ✓ Multi split systems if you don't have roof space for a ducted system or you don't want multiple outdoor units
- ✓ With a wide range of models, we will size what is right for the room and your budget.
